

Lesson 04: Promo Script

Daily Doodles

Fill this in on paper first. Time it out loud with your partner before you show it to Mr. McMaster.

Seconds	Who	Line	What's on screen
0-5	Narrator	What happens when an artist is pushed to their limit?	Camera dramatically zooms in on a figure vigorously working on a canvas
5-9	Artist	Turns out, they improve immensely.	He faces the camera, speaking to the audience as he continues to paint
9-15	Artist	From poor to perfect, you can watch how a daily drawing habit became a business opportunity for both me AND you.	The artist continues to talk, while the left side of the screen shows two images, the one on top being much worse than the bottom one, and points to the camera at the end.
15-17	Narrator	I don't believe you.	Camera zooms out, with half of the screen focused on the space above the figure
17-20	Artist	Why not see the Daily Doodle Collection for yourself?	The link to the site pops up at the top of the screen, with the canvas spinning around to show an arrow pointing to it

Word count: 49 words (aim for about 45)

Timed reading: 17 seconds (has to be 17 or under)
